

ORNAMENTAL FISH CULTURE

Cultivation and multiplication of different types of Ornamental Fishes including the management practices have been incorporated in the course curricula which has also emerged as an important avenue of income generation for a group of the trainees after completion of the training.

AVICULTURE & CONSERVATION OF BIRDS

Keeping in view the emergence of Aviculture (rearing of exotic birds) as an important field of entrepreneurship and the importance of conservation of birds in nature, practical training along with theoretical inputs is imparted on this subject utilising the Aviary in the premises of the institute.

APICULTURE

Honey-bees not only provide honey and wax but they also greatly contribute in pollinating the insect-pollinated crops and thereby increasing agricultural productivity. In this way they help the bee-keepers and farmers alike. Scientific Bee-keeping methodology in bee boxes along with its management round the year is taught to the trainees with this twin objects.

MUSHROOM CULTIVATION

During the training course the trainees learn the cultivation and other management practices of different species of mushroom. With an object of providing quality mushroom spawn (seed) to the ex-trainees a laboratory for production of mushroom spawn has been established at the institute which effectively caters the need of mushroom spawn of the ex-trainees in their new ventures.

Duckery

A unit of Duckery existed inside the campus where 50 nos ducks of '*Chara Chameli*' species have been reared this year.

Poultry

The unit has been enriched this year with new varieties of birds received from Govt. farms as gift as noted hereunder:

- 1) Haringhata Black 6 Nos.
- (2) RIR 6 Nos. (3) Black Australorp 6 Nos. (4) Turkey (Small species) 1 Pair

SDI

ORNAMENTAL FISH

AQUARIUM MAKING

Skill Development Initiative (SDI) and Other Short Duration Programmes:

As per norms & methodology stipulated by the Ministry of Rural Development (MoRD), Govt. of India & NAR there are various short duration courses on Farm & Non-farm sectors conducted within and outside campus of the institute.

- A) Sustainable Agriculture,
- B) Integrated Soil Fertility Management,
- C) Vermiculture & Vermicomposting,
- D) Horticulture Nursery Management,
- E) Ornamental Fish cultivation,
- F) Aviculture & Conservation of birds (exotic),

- G) Pisciculture (Inland Fisheries),
- H) Mushroom Cultivation,

- I) Piggery,
- J) Goat Rearing
- K) Poultry ,
- L) Food Processing,
- M) Bee-keeping,

FISH BREEDING

Non-farm sector, *inter alia*, includes ...

- a) Dress design for Women (Tailoring),
- b) Beauty Parlour Management,
- c) Soft Toys Making,
- d) Multi Phone Servicing
- e) Agarbati Making
- f) Jute Product Manufacturing,
- g) Handicraft Manufacturing

Capacity Building of SHG Members Sponsored by West Bengal Swarojgar Corporation Ltd.:

The programmes commenced in the year 2013-14 in a minimal scale, has been largely multiplied in volume and intensity widely covering different centres of districts during this year.

Training on-	Dress Design For Women	Mushroom Cultivation	Beauty Parlour	Handicrafts Manufacturing	Goat Rearing	Duck Rearing	Vermi-composting	Pisci-Culture	Poultry	Soft Toys	TOTAL
