"Talk to yourself once in a day, otherwise, you may miss meeting an excellent person in this world."

- Swami Vivekananda.

MESSAGE

The ray of hope for un-employed youth, which had originated from Siddavana, Ujire at Dharmasthala, the abode of Lord Sri Manjunatha in Karnataka, under the able leadership of great visionary Parampoojya Dr D. Veerendra Heggadegi in the form of RUDSETI in the year 1982, partnering Syndicate Bank and Canara Bank, had replicated manifold, under the guidance of Ministry of Rural Development, spreading its wings PAN INDIA and touching the magical figure of training 35 lakhs un-employed youth through 585 RSETIs, have now become the leading torch for un-employed youths in 566 Districts. The marvellous effort put forth by dedicated staff of RSETIs supported by 28 banks in 27 states and 6 UTs was at its peak when NACER, an Apex Institute for mentoring and monitoring of RSETIs was honoured by ASSOCHAM Summit **Gold Trophy Award for the year 2019-20.**

This award is dedicated to the team of all RSETIs, Officials of MoRD, Sponsor Banks and the State Level officials for their support, without which winning of this coveted award for NACER would not have been possible. Also it is worth mentioning that our trainees from Coimbatore and Nasik had won prestigious National Entrepreneurship award for the year 2019-20, which is a feather in the cap of RSETI movement.

These laurels has brought RSETIs to limelight and many departments and Ministries have expressed their willingness to sponsor candidates to be trained in RSETI because of better quality of Training in the realms of Knowledge, skill and attitude of the Trainees and the handholding support extended after training.

It is a matter of pride that the settlement of Trained candidates is 73% for the current year, which is an all time record and the credit linkage of settled candidate for RSETIs is 50% which is the USP only for RSETIs.

I am thankful to Syndicate Bank for giving an opportunity to work as National Director for RSETIs on deputation for 2 years and I was also benefitted from the rich experience gained in the vistas of Rural Development from great visionary like Poojya Dr D. Veerendra Heggadeji, Sri Rajesh Bhushan, Secretary MoRD, Sri Charanjeet Singh, Joint Secretary, Sri Veerendra Sharma, Director and from my colleagues in NACER, NAR, RSETI Team, Officials from Sponsor Banks and State Officials. I also thank all my Well Wisher for the wonderful support extended during my tenure and National Director for RSETIs. Let us hope with the synergy of dedicated Team, the flag of RSETIs will flutter at higher levels in the years to come.

Wishing the TEAM of RSETIs all Success in their future endeavours.

With best wishes,

A handwritten signature in black ink, appearing to be 'Santosh P', written in a cursive style.

(SANTOSH P)
NATIONAL DIRECTOR FOR RSETIs
NACER, BENGALURU

PREAMBLE

Swami Vivekananda visualized a regenerated India through blending of oriental spirituality with occidental science and technology. He said that the aim of education must be to solve the problems of life. In his view education is all round development of physical, intellectual, moral and spiritual values. His greatest contribution was to open the minds of individuals to their duty to the downtrodden masses. He fought to revive the spirit of humanism in education. In his view education is not identical with information. He said education should lay proper emphasis on creativity, originality and excellence. With this mission in mind "Ramakrishna Mission Samaj Sevak Sikshan Mandir" started its maiden journey in the year 1986 under the aegis of Ramakrishna Mission Saradapitha, a branch centre of Ramakrishna Mission, Belur Math, Howrah, West Bengal. In the same year the flagship programme of the institute – 10 month long free residential course viz. 'Rural Entrepreneurship Development Programme (REDP)' was launched with the following objectives:

OBJECTIVES & CHARACTERISTICS

- To develop human resources in the rural India and to improve the socio-economic condition of its people through skill development and income generation.
- To upgrade the traditional knowledge and skill of the farmers and the rural artisans in the light of continuous research and development in the national and international level.
- To create scientific temperament amongst the rural folks and an eagerness to adopt new technology and innovation.
- To build character on the basis of higher truths of spirituality and value education as character building was fundamental in Vivekananda's concept of education.
- To instil confidence and determination in the minds of trainees.
- Generate self-confidence & determination in the minds of trainees so that they can venture to float new enterprises for self-employment at their respective villages after completing the training.

IMPORTANT MOVEMENTS IN THE HISTORY OF THIS INSTITUTE

- In the year 2007-08 (17th March 2008) the institute entered into a tie-up arrangement with UBI (United Bank of India) and NABARD (National Bank for Agriculture & Rural Development) to function as a RUDSETI (Rural Development & Self Employment Training Institute) type institute for conducting various skill development training programmes on equal cost sharing basis.
- The RSETI in its new form continued with the REDP (Rural Entrepreneurship Development Programme), the flagship training programme of 10 months' duration. Subsequently, it

introduced various SDI (Skill Development Initiative) programmes of short duration, aiming at skill development and income generation. These were mainly held at the sub-centres scattered over various districts of West Bengal. SDI programmes are generally non-residential and held on various trades in farm & non-farm sector sponsored by NABARD / Govt. of West Bengal / Govt. of India etc.

- During the course of its long journey some events of 2011-12 and 2012-13 deserves special mention. On the basis of its performance during 2011-12 the institute earned 'A' grade and on the performance of 2012-13 ranked 3rd best RSETI amongst all the RSETIs in India by NAR (National Academy of RUDSETI) under the Ministry of Rural Development (MoRD), Govt. of India.
- ☆ The Institute continues to enjoy “AA” grade status for the last several years. Several other short term training programmes are sponsored separately by NABARD, West Bengal Swarojgar Corporation Ltd (WBSCL), Coconut Development Board (CDB), Govt. of India; Hindalco Industries Ltd. etc.

SALIENT FEATURES OF METHODOLOGY & MODULES

- ☆ Short duration courses (ranging from 80 hours to 240 hours) on various income generating trades
- ☆ EDP oriented training modules as per the norms set by NAR (National Academy of RUDSETI)
- ☆ Full-fledged infrastructural facilities arranged including demonstrative units of various trades
- ☆ EDP inputs as per course module given by NAR
- ☆ Starting the day with Prayer followed by Yoga class, Shramdan and presentation of MILLY (Most Important Lessons Learnt Yesterday) by the trainees.
- ☆ Writing training log on day-to-day basis
- ☆ Guiding trainees on preparation of project report for getting bank loan after successful completion of the training.
- ☆ Prepare Post Programme Report (Appendix - 23) and Post Training Evaluation (Appendix-25).

IMPROVISATION ADOPTED

- ☆ Training programmes and training schedules are drawn as per NAR's (National Academy of RUDSETI) course module
- ☆ Prescribed training kits are used in all skill training programmes
- ☆ Micro Lab - Ice breaking & rapport building exercises are done at the beginning of all training programmes to help the trainees know each other intimately
- ☆ AMT (Achievement Motivation Training) manual in Bengali version introduced & followed
- ☆ MILLY made compulsory
- ☆ Inviting successful entrepreneurs for sharing of their experiences with the subsequent batches
- ☆ Behavioural games played to get insight into the individual psyche and to reveal among other things his attitudes & values
- ☆ Introduction of MIS based record keeping
- ☆ Maintenance of ex-trainees' database & improving the quality of follow-up action
- ☆ Maintenance & monitoring of settlement register
- ☆ Maintenance of visitors' book

SPECIAL STATUS

The Department of Agriculture, Govt. of West Bengal has recognised Ramakrishna Mission Samaj Sevak SikshanMandir as a resource centre for training of Farmers' and is sponsoring different training programmes for the farmers hailing from different districts of the states.

INFRASTRUCTURE

The gradually built up three storied magnificent building with 10000 Sq. ft. covered area was formally inaugurated in the year 2011 coinciding with the Silver Jubilee Celebration of the institute. The RSETI is spread over vast area of manicured garden & greenery. The milieue is ideal for learning & concentration.

The building is having number of spacious class rooms, Office room, staff room, Principal's Office & living room. This apart, there is Dormitory for the

Office Campus

Campus View

trainees, guest rooms, meeting and counselling room, conference hall, computer lab, gymnasium, library etc. There is a number of toilet blocks and long widening corridors. The institute is having a very big dining hall adjacent to the kitchen & near the REDP students' hostel. At present residential training of more than 100 trainees can be organised simultaneously at the institute. The institute is thankful to the Dept. of Agriculture, Govt. of W.B for providing grant-assistance for construction of the new building under RKVY (Rastriya Krishi Vikash Yojana).

Gymnasium

The institute has installed a gymnasium set-with modern appliance for physical exercises of the REDP trainees under a competent trainer. It adds a new feather to the well-built infrastructural set-up of the institution

The Details infrastructure available is as under :

Prayer Hall, One Dormitory for Farmers' (Capacity : 100 beds), One Seminar Hall with seating capacity 100%, Four Class Room with writing facilities (Capacity - 60 seats each class room), Director / Principal Room, Office Room, One Library, Four Guest Rooms, Four Monk Rooms, Four Staff Rooms, One Conference / Meeting Hall, One Students' Computer Lab, One Food Processing Workshop, One Mushroom Spawn Production Lab, Four Store Rooms, One Soil Testing Lab through Kits, Four Dormitory with 40 beds for REDP Students, A big Dining Hall cum Kitchen with 80 seats, One Ex-trainees' Room, Mushroom Cultivation Unit, Poultry Unit, Aviary Unit, Duckery Unit, Fishery Unit with hatchery - a grand pond around 15 decimal area, Colour Fish Cultivation, Vermi Compost Pit - 7 nos., Space for Super Compost & Compost.

TRAINING COURSES

- a) REDP (Rural Entrepreneurship Development Programme) the flagship training programme of the institute is being conducted uninterruptedly since its introduction in the year 1986. This is a free residential comprehensive training of 10 months' duration given to 40 odd unemployed male students hailing from rural Bengal purely on the basis of merit irrespective of their caste, creed and religion.
- b) Apart from this programme, various shortduration EDP and other in-campus & offcampus specified training courses onvarious trades under both farm & non-farm sectors are conducted. Detailed course programmes are categorised hereinafter.

COURSE CURRICULAM

REDP

ADMISSION PROCEDURE

The intending candidates are to apply against newspaper / website advertisement of the Institute. Those fulfilling the admission criterion are short listed for admission after written test & personal interview.

DAILY ROUTINE FOLLOWED IN THE INSTITUTE

The Day starts at 5-00 a.m. in the morning and ends at 10-00 p.m. Seemingly, this is a rigorous schedule but made enjoyable through combination of training & recreation. Two times Prayer, in the morning and evening, "Shramadan" for up-keeping the wide-spread campus clean and habitable, on-the-job training in the agricultural field adjoining the institute, physical exercise in the gymnasium, musical class, outdoor games - all these forms the essential fabric of the daily routine besides theoretical classes. With each passing day of the training course - the trainees feel a unique bond with the institute and they themselves voluntarily come forward at its every call even years after their passing out.

COURSE COVERAGE

Training disciplines, inter alia, include Agri-Horticultural practices, Sericulture, Poultry, Duck Rearing, Pisciculture including Ornamental Fish Cultivation, Animal Husbandry & Animal Health Care, Apiculture, Aviculture, Mushroom cultivation & Spawn culture, Vermiculture & Vermicomposting, Food Processing etc. along with Environment & Sanitation, Primary Health Care, Agricultural Extension, Entrepreneurship Development, Social Studies, Organisation building, Basic Computer and Value education. Training curriculum includes both in-house training and field exposure. Apart from all these, the trainees are given lessons on importance of Financial literacy, Financial awareness and elementary Banking.

HIGHLIGHTS OF ACTIVITIES

SUBJECT SPECIFIC FOCUS :

AGRICULTURE

Agronomical crops Agriculture with Soil Fertility & Soil Testing Procedure, Quality Seed Production, Integrated Plant Nutrient Management, Integrated Pest Management, Watershed Management etc.

HORTICULTURE

Fruit crops, Pomology, Floriculture and Olericulture, horticultural nursery etc.

ANIMAL HUSBANDRY

Animal Husbandry and Animal Health Care including Dairy, Goatery, Poultry, Duckery, Veterinary First-aid etc. are given due weightage considering their importance in rural economy and generation of self-employment.

PISCICULTURE

Cultivation of Indian Major Carps and other species of fish. Inland Fishery includes hatching, nursing, rearing and induced fish breeding, farm made fish breeding & seed management occupies an important role in the training curricula.

FOOD PROCESSING

The Institute's training-cum-production unit on food processing is used for training on Processing and Preservation of fruits & vegetables (Various Types of Jam, Jelly, Pickles, Squash, Tomato Ketchup, Chilli Sauce, Honey, Amlaprash, Papad etc.). The unit is having state of the art machineries and appliances.

COMPOSTING

The trainees are actively involved in preparation of Bio-Composting, which includes Super-Compost, Azolla, Vermi, Bio, Super etc. as-well-as preservation and multiplication of suitable species of earthworms by utilising the compost pits specially constructed for this purpose within the premises of the Institute. Bacteria is also used for composting.

AVICULTURE & CONSERVATION OF BIRDS (EXOTIC)

Keeping in view the emergence of Aviculture (rearing & breeding of exotic birds only) as an important field of entrepreneurship and also the importance of conservation of exotic birds, practical training along with theoretical classes are arranged in the Aviary and class room at the institute premises.

ORNAMENTAL FISH CULTURE

Cultivation and multiplication of different types of Ornamental Fishes including its management practices have been incorporated in the course curriculum. This has emerged as a sure avenue of income generation for the trainees.

APICULTURE

Honey-bees not only provide honey and wax but they also greatly contribute towards pollinating the insect-pollinated crops and thereby help in increasing agricultural production. Scientific Bee-keeping methodology in bee boxes along with its proper management round the year is taught to the trainees to help them understand how Bees help the bee-keepers & the farmers.

MUSHROOM CULTIVATION

During the training the trainees are taught about the cultivation and other management practices of different species of mushroom. With an object to providing quality mushroom spawn (seed) to the ex-trainees a laboratory for production of mushroom spawn has been established at the institute which effectively caters to the need of mushroom spawn of the ex-trainees in their start-up ventures.

DUCKERY

A Duckery unit is maintained inside the campus where 25 number of ducks of 'Chara Chameli' & Khaki Campbell species have been reared.

POULTRY

The unit is enriched with the various varieties of birds received from farms owned by Government of West Bengal as gift. These birds are used for the purpose of Poultry training.

INAUGURATION OF 34TH BATCH OF REDP

The 34th session of the Rural Entrepreneurship Development Programme (REDP) of the institute started on May 15, 2019 with 35 candidates hailing from the rural areas of 13 districts of West Bengal. Formal inauguration was held on June 01, 2019. Swami Divyananda, Secretary, Ramakrishna Mission Saradapitha; Swami Shastrajnananda, Principal, Ramakrishna Mission Vidyamandira; Shri P Santosh, National Director for RSETIs, NACER, Bangaluru; Shri Subrata Mondal, Chief General Manager, NABARD; Shri Mukti Ranjan Ray, General Manager (PRISEC, Agril. & Lead Bank), United Bank of India, Shri A. G. Bandhopadhyay, Director, Dept. of ARD, Govt. of West Bengal and other dignitaries were present on the occasion.

INSTITUTIONAL PLACEMENT / STUDY TOUR

During the period under review the trainees of the 34th REDP batch were placed to different Govt. farms for undergoing hands-on training in various aspects of agriculture and allied activities like Induced Breeding in Fish, Dairy Management, Animal Health Care, Poultry, Piggery, Goat Rearing, Duck Rearing etc. as per the details given hereunder :

- a) The trainees were placed to one week (seven days) fishery training camp from July 03 – 10, 2019 at the Central Institute of Freshwater Aquaculture, ICAR, Rahara where they underwent intensive field training on Induced Breeding of Fish and Seed Management.
- b) The trainees were placed to one week (seven days) training camp from August 01 – 08, 2019 at Agriculture Training Centre of Dept. of Agriculture, Govt. of W.B at Chinsurah, Hooghly where they underwent intensive Agri-Horticultural training practice. This placement greatly compensates the absence of large agricultural farm at our institute.
- c) The trainees were placed to one-month long training camp from December 23, 2019 to January 22, 2020 at Haringhata farm, Kalyani, under Animal Resource Development Dept. Govt. of West Bengal, where they have undergone intensive practical training on Dairy Management, Animal Health Care, Poultry, Piggery, Goatery, Duckery etc.

FIELD VISIT OF REDP TRAINEES

The trainees have undertaken field visit in the following institutions / farms: a) Rice Research Station & Agriculture Training Centre, Chinsurah, Hooghly, Soil Testing Lab, b) Krishi Vigyan Kendra & Horticulture Garden at Chinsurah, Hooghly, c) Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia, d) Krishi Vigyan Kendra at Bidhan Chandra Krishi Viswavidyalaya, Kalyani, Nadia, e) Model village at Gayeshpur, Nadia to study modern agricultural practices of the farmers, f) Sheep, Goat, Rabbit breeding farm, Govt. of West Bengal, Kalyani, Nadia, g) Central Institute of Freshwater Aquaculture at Rahara, 24 Parganas (North) and Kalyani, Nadia, h) Fish Seed Market, Naihati, North 24 Parganas, i) Soil testing laboratory and other activities of R K Mission, Pallimangal, Kamarpukur, j) Rural development units of Ramakrishna Mission Kamarpukur & Joyrambati, k) Poultry, Goat, Piggery & Dairy farm of West Bengal University of Fishery & Animal Science, Mohanpur, Nadia.

FIELD WORK CAMP

Trainees were placed in six days' field camp at places under Purbasthali-I & II blocks of Purba Bardhaman district from February 19 – 24, 2020. They were accompanied by 10 teachers on various subjects with a view to enhancing the students' self-confidence. During the camp period the activities covered were ranged from agriculture, horticulture, soil science, nutrient management (crop production), pest control, animal health care with disease diagnosis and treatment, animal vaccination and fish culture with fish disease etc. The camp activities were spread over to 3 villages viz. Golaghat (Purbasthali-I), Kuldanga & Bagachara (Purbasthali-II) within the radius of 5 k.m. of the base camp at Vivekananda Manab Kalyan Society, Golahat under Purbasthali-I block of Hooghly district. During that period socio-economic survey was conducted by the trainees which covered 105 local families involving more than 500 family members. Conducted survey, measurement, netting for 25 no. of ponds including discussion on fish culture, disease and its remedial measures at pond sites before farmers in presence of our students. Besides this, free treatment including supply of medicine was done for 1961 numbers of animals viz. cow, calf, exotic birds, buffalo, goat, poultry, duck, hen and dog etc. besides supply of medicine at free of cost. 23 women from SHGs & 2 male of 3 (three) villages were trained on Food Processing & Preservation of fruits. They produced mixed vegetable pickle, papad, tomato sauce, mushroom, lemon squash etc. after theory class on spot by the trainees. Collected & analysed 28 no. soil samples from farmers' fields & briefed the farmers about optimum productivity of crop land with recommended manures & fertilisers against test result. The camp was found to be very much helpful to the trainees and villagers as well.

STUDY TOUR - VISIT TO PLACES OF HISTORICAL IMPORTANCE

The trainees were taken to Kamarpukur (Hooghly), Jayrambati & Koalpara (Bankura) to visit some places which are intimately associated with the secret memories of Sri Ramakrishna Dev and Holy Mother Shree Shree Sarada Devi. The trainees also visited the soil testing laboratory and observed some other activities of Pallimangal, the rural development units of Ramakrishna Mission Kamarpukur and Jayrambati.

30TH EX-TRAINEES CONFERENCE

The 30th Ex-trainees Conference was inaugurated at 9.30 a.m. on March 15, 2020 by Swami Divyananda, Secretary, Ramakrishna Mission Saradapitha at the institute premises. 109 numbers of ex-trainees of this institute and 52 numbers of visiting lecturers & other resource persons attended the conference and close interaction took place amongst the participants. Swami Shastrajananda, Principal, Ramakrishna Mission Vidyamandira; Swami Satyadharmananda, Asstt. Secretary, Ramakrishna Mission Janasikshamandira; Dr Sampad Ranjan Patra, Director of Agriculture & Ex-Officio Secretary, Department of Agriculture, Govt. of West Bengal; Dr Madhab Dhara, Jt. Director of Agriculture, Govt. of West Bengal and Dr Swapan Kr Nandi, SDR, West Bengal attended the conference.

SAMABARTANA OF THE TRAINEES OF 34TH REDP BATCH

The Ex-trainees conference was followed by the "Samabartana" utsab (Valediction ceremony) of the 34th batch of REDP trainees held at 3.30 p.m. on March 15, 2020. Revered Swami Satyeshananda, Asstt. General Secretary, Ramakrishna Math & Ramakrishna Mission inaugurated the programme by lighting the lamp amidst chanting of Vedic Hymns.

Welcome address was delivered by Swami Divyananda, Secretary, Ramakrishna Mission Saradapitha. Sri Dibyendu Adhikary (IAS), Secretary, Dept. of SHG & SE, Govt. of West Bengal; Dr (Capt.) A. G. Bandhopadhyay, Principal Director, Dept. of ARD, Govt. of West Bengal; Dr Sampad Ranjan Patra, Director of Agriculture & Ex-Officio Secretary, Department of Agriculture, Govt. of West Bengal graced the occasion by their august presence. Swami Shivakarananda, Principal of this institute made a Power Point presentation on the activities of the institute conducted during the year 2019-20. The programme ended with the benediction from revered Swami Satyeshanandaji Maharaj.

SKILL DEVELOPMENT INITIATIVE (SDI) TRAINING PROGRAMME

As per norms & methodology stipulated by the Ministry of Rural Development (MoRD), Govt. of India & NAR (National Academy of RUDSETI) there are various short duration training programme on Farm & Non-farm sectors conducted within and outside the campus of the institute.

Under Farm Sector

- Ø Vegetable Nursery Management & Cultivation,
- Ø Dairy Farming & Vermi-Compost Making
- Ø Pisciculture (Inland Fisheries),
- Ø Mushroom Cultivation,
- Ø Goat Rearing,
- Ø Poultry

Under Non-farm Sector

- Ø Womens' Tailor (Ladies Tailoring),
- Ø Soft Toys Maker and Seller
- Ø Beauty Parlour Management,
- Ø Two Wheeler Mechanic
- Ø Electric Motor Rewinding & Repair Services
- Ø Cellphone Repairs and Service

Dress Design for Women (Tailoring)

Cellphone Repairs & Servicing

VISITING FACULTY MEET

Like previous years the visiting faculty met on June 01, 2019 and evaluated the training programmes and discussed the future strategies. Thirty eight visiting lecturers & resource persons from different discipline attended the meeting.

REDP TRAINEES ROLE AS VOLUNTEERS

- ⊗ Served as volunteers in the Sri Sri Durga Puja celebration at Belur Math
- ⊗ Served as volunteers in the Sri Sri Jagadhartri Puja celebration at the Saradapitha, Belur Math
- ⊗ Participated in the National Youth Day celebration ; Birthday Tithi celebration of Swami Vivekananda, Sri Sri Maa Sarada Devi and Thakur Sri Ramakrishna Dev.
- ⊗ Annual Public celebration following the birth day Tithi of Bhagawan Sri Sri Ramakrishna Dev.

VIGILANCE AWARENESS PROGRAMME

Vigilance awareness week was observed in the Institute during October 29 to November 03, 2020. This year's theme was "Eradicate Corruption – Build a New India". The students took the integrity pledge in their class room.

CELEBRATIONS

a) Independence Day was observed on 15th August with due solemnity by hoisting of the National Flag by Swami Divyananda, Secretary, RKMSSSM and publication of wall magazine, holding cultural functions etc. b) Sharad Utsav', a cultural programme was observed by the trainees of REDP course on the eve of Sri Sri Durga Puja. c) Saraswati Puja and Republic Day were celebrated by the trainees of the REDP course with due solemnity and enthusiasm. d) National Youth Day; Tithi Puja of Shree Shree Ma Sarada Devi and Thakur Shree Shree Ramakrishna Dev were observed by the trainees.

PROJECT MONITORING COMMITTEE (PMC)

The Managing Committee of the institute aided by a Project Monitoring Committee / District Level RSETI Advisory Committee consisting of the representatives of United Bank of India, NABARD, Project Director, DRDC (representing DM, Howrah); Representatives from various Line Departments of Government of West Bengal and Monks of Ramakrishna Mission governs and monitor all its activities at the micro level on quarterly basis. Schedule of meetings held is appended below :

Sl. No.	Dates of Meeting held	Members Present
1.	11 April 2019	16
2.	12 July 2019	12
3.	14 October 2019	14
4.	16 January 2020	15

VEDIO CONFERENCE WITH NACER

Video conference is arranged between NACER and all the directors of RSETIs in West Bengal in the 1st week of every month. The conference is organised by SDR, West Bengal.

OBSERVING FINANCIAL LITERACY WEEK

A awareness programme / financial literacy camp on Micro, Small & Medium Enterprise (MSME) organised by Financial Literacy Centre, United Bank of India, Belur Math was held under the auspices of Reserve Bank of India, Kolkata on February 15, 2020 at our seminar hall. FLC, Belur Math observe financial literacy week during the period from February 10 - 15, 2020. Shri Partha Chakraborty, AGM, RBI, Kolkata; Shri P Thakur, LDM, Howrah & Shri S K Mondal, DRM, Hooghly Region were present and participated in the meeting.

ANNUAL GRADING BY MINISTRY OF RURAL DEVELOPMENT

A team comprising of Mr. Prem N Umrariya (State Director for RSETIs, Madhya Pradesh) as Grading Officer representative of MoRD & NACER; Mr. Nripendra Lal Chowdhuri, Chief Manager (Lead Bank Divn.), United Bank of India; Mr. P K Thakur, LDM, UCO Bank, Howrah and the Principal, RKMSSSM evaluated the functioning of the RSETI for the year 2018-19 on August 04, 2019 and according to their assessment Samaj Sevak Sikshan Mandir this time also secured 'AA' grade.

TAILORING TRAINING AT HOOGHLY CENTRAL CORRECTIONAL HOME, CHINSURAH

We are organising Tailoring training in a batch size of 10-15 inmates of Hooghly Central Correctional Home, Chinsurah very three months. We have engaged a trainer against payment of monthly remuneration of Rs.3000/-. The feedback against this training programme is quite encouraging.

VILLAGE ADOPTION PROGRAMME

Through more than 35 Sub-centres spread across twelve districts of West Bengal we are carrying on various types of educational and social activities. Primary School is run in most of our sub-centres for the benefit of the children living nearby. Free dispensary is run on specified days in the sub-centres. Stress is also laid on the preventive health care and sanitation. Villagers are made aware of the benefits of various immunisation & vaccination programmes of the government and local bodies. Our sub-centres are working towards empowerment of women, they are arranging various types of capacity building training programmes for the local women. Our sub-centres are helping in formation of Self Help Groups. Farmers are made aware of the improved methods of cultivation and advent of new technology. They are also made aware of the various welfare schemes of the government. Patha-chakra (religious discourse) is held in the evening on specified days at our sub-centres on regular basis.

FINANCIAL LITERACY & CREDIT COUNSELING CENTRE (FLCC)

The Financial Literacy & Credit Counselling Centre has started functioning in the premises of the institute on July 01, 2011. Since then the centre is relentlessly engaged in spreading the message of financial literacy and financial awareness within and outside the campus. During the year under review the progress and achievement of the FLCC is abridged below :

Sl. No.	Purpose	Camps	No. of Participants Attended
1.	Awareness -cum - literacy camps held at Institute	9	289
2.	Awareness -cum - literacy camps held at our Sub-centres	18	640
	Total	27	929

DIGNITARIES VISIT TO THE INSTITUTE DURING 2019-20

Sl. No.	Name	Designation	Department / Organisation	Date of Visit
1.	Mr Goutam Sen	General Manager	NABARD, WBRO	11.04.2019

UBIDFC

SACHCHA BHARAT MISSION

Responding to the call of "Sachcha Bharat Abhijan" the institute had undertaken cleaning programme once a week at Belur Math Railway Station and in its close periphery. Close associates of the institute, mainly its trainees, actively participated in the cleaning programmes. The general public, railway passengers watched the cleaning activity with eagerness.

POST-TRAINING SUPPORT SERVICE

Staying together for 10 months in a fully residential programme creates a very close bonding between the trainees and the institution. This makes regular interaction amongst the ex-trainees much easier. Ex-trainees love to maintain close contact with the Institute and this facilitates extending of all possible post-training support services to them. They visit the institute as and when required and consult the specialist faculties on different subjects regarding various problems encountered by them in implementing their projects. Conversely, the resource persons pay occasional visit to the project sites set up by the trainees. Close liaison with the ex-trainees result in better credit linkage with the banks since many veteran bankers render volunteer service at our institute.

FOLLOW-UP

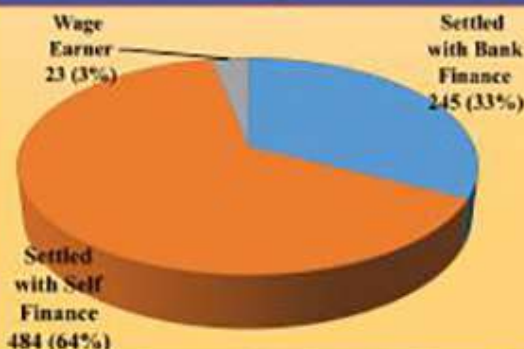

- One follow-up meeting with the REDP trainees of 2018-19 was organised at the Institute in June 2019.
- One follow-up meeting with the ex-trainees of earlier batches of REDP course was organised at the institute on 15.03.2020 where 109 number of ex-trainees participated.
- Personal contact is being maintained with the ex-trainees to provide constant guidance to them in pursuing their vocation. The trainees are assisted in preparation of project proposals and filling of application forms for availing credit support from banks.
- During the year under review 1730 candidates under Agricultural EDPs, Products EDPs, Process EDPs and General EDPs were followed-up during 197 numbers of visit. Such hand holding continues for 2 years after the training.
- Follow-up programme has been further improved through MIS data base system.

SETTLEMENT DURING FY 2019-20

Out of the 1730 number of trainees contacted for follow up, 484 trainees have set up their units with own funds, 245 trainees availed loans like KCC, SHGs and another 23 trainees are presently employed in different organisations and the settlement of the rest is in progress.

24.	Aharaha Vivekananda Yuba Sangha , Vill. & P.O/ Aharaha, P.S. & Block - Arsha, District - Purulia .
25.	Uttaran Charitable Trust , Vill. & P.O/ Purandarpur, P.S. & Block - Kandi, District - Murshidabad .

SUCCESS STORIES

Shri Ujjwal Mahata, S/o- Shri Rampada Mahata of Joypur, Purulia after completing school level studies came to Ramakrishna Mission Samaj Sevak Sikshan Mandir, Belur Math, Howrah and enrolled himself in the 10 month long fully residential training programme on agriculture and allied subjects. The course named REDP (Rural Entrepreneurship Development Programme) was introduced in the year 1986 and still continuing without any break. This course offers holistic training on almost all rural vocations.

Shri Mahata is from Purulia district which was until recently considered to be a backward district in the state of West Bengal. His father is paddy cultivator and besides him Sri Ujjwal has his mother and two unmarried sisters in his family.

Fortunately, Ujjwal didn't have any illusion of getting employment in either public or private sector from the beginning and hence he took the training at the Ramakrishna Mission Samaj Sevak Sikshan Mandir very seriously since his enrolment was driven by the passion to become self-reliant. After completing the training he focused on vegetable nursery and pisciculture on a leased land measuring one Bigha he started onion cultivation. The seeds were collected from State Government agency. To help the seeds grow fast into healthy saplings vermi compost was made available by the state agriculture department.

The onions that he was cultivating over 9 bighas of leased land is a grand venture. At every step he applied his acquired knowledge in consultation with the officials of the state agriculture department as also with his mentors i.e. the faculty team at the Ramakrishna Mission Samaj Sevak Sikshan Mandir, Belur Math. Shri Mahata is a keen learner and never hesitated in seeking clarification from his masters and seniors. He had engaged agricultural labourers at different stages of the cultivation process. Hopefully, the harvesting process will begin by the end of May 2020. Starting from the sowing to this stage everything went on smoothly. Shri Mahata is expecting remunerative price from his produce. Shri Mahata is only twenty two years of age and by handling the entire onion cultivation process on his own has earned enough confidence.

Shri Mahata is also carrying on pisciculture activities in a 4 bigha pond. He is engaged in fish farming of Rohu, Catla, Mrigal etc. He is reaping the benefits of induced breeding which he was taught at the RKMSSSM, Belur Math. He is also maintaining 4/5 milching cows, buffalos, goats etc. He is having a small poultry of layer birds.

Shri Mahata is also successfully carrying on cultivation of seasonal vegetables like brinjal, coli flower, cabbage, tomato, green chilly etc. Now, onwards he wants to explore the possibilities of economically successful organic farming which he learnt during his training days at the RKMSSSM, Belur Math.

Till now, he has invested almost Rs.1.5 lakh in all the above economic activities. His average monthly income is hovering around Rs.20,000/- only.

Shri Mahata is very dynamic and also very ambitions. But at the same time he is very practical. He is open to adopting new technology in all spheres of activities. As an institution our hand holding activity with the ex-trainees continue for 2 years and beyond. Beside will remain in our focus and we are committed to provide him all sorts of support in furthering his business interest. It is felt that he can go much beyond and his total potentialities are yet to be achieved. We are confident that the qualities Shri Mahata has demonstrated will help him to act as a change agent in transforming the lives of many young men in his village who are languishing due to low level of motivation and entrepreneurship.

SUCCESS STORIES

Shri Mriganka Mondal, son of Shri Krishna Pada Mondal of Tehattya, Nadia district of West Bengal attended the 10 month long fully residential training on agriculture and all other allied subjects at the Ramakrishna Mission Samaj Sevak Sikshan Mandir, Belur Math, Howrah for the session 2018-19. He was like any other rural youth in search of employment as profession. Ramakrishna Mission Samaj Sevak Sikshan Mandir was founded on the ideals of Swami Vivekananda who given a call to the youth not to run after getting employment but to become self-reliant, establish enterprise and after employment.

Shri Mondal after completing school level education went around seeking employment. In search of livelihood he even went abroad to middle-east to work in construction industry. But he couldn't settle in the alien land and came back to his native place. The training he received at the Ramakrishna Mission Samaj Sevak Sikshan Mandir was a holistic training on agriculture and allied subjects. The subjects taught included agriculture, horticulture, animal husbandry, pisciculture, apiculture, aviculture, mushroom cultivation, food processing etc. The training opened a new vista of opportunities before him. He started to realise his potential and started dreaming and dreaming big.

The training was not confined in classroom. Trainees were given field exposure in almost all the branches of training activity. Value education is an integral part of the syllabus. Shri Mondal is now primarily engaged in mixed farming of horticulture and pisciculture at his native place. On five bigha land he is growing seasonal vegetable like brinjal, pumpkin, potol, jhinga, carrot, coli flower, cabbage, chilly, cucumber, ladies finger, bitter gourd, raddish etc. He is selling the produce to local whole-sellers. Shri Mondal is fully devoted in the activities of his composite farming and is helped by his 2/3 consigns. The seeds splines, fertiliser etc. are locally available.

Shri Mondal has set up a poultry farm of broiler birds for meat and named it as Hari Charan Poultry Farm. He is rearing the chicks for 40-45 days and after that period the produce is taken over by the company. The feed, medicines etc. is provided by the company. Shri Mondal is arranging electricity, labour, litter water inside the nest on an average his farm is having birds at a time. Shri Mondal has invested around Rs.70,000.00 in his composite farming activity from own/family source. His monthly average income from poultry is around Rs.25,000/- and from the vegetable cultivation Rs.5,000/-.

The ten month long fully residential training that Shri Mondal had received at the Ramakrishna Mission Samaj Sevak Sikshan Mandir, Belur Math stood him a good stead. Apart from attending in-house training on poultry farming the trainees were deputed to attended a one month long off-campus residential training on animal science which covers dairy, poultry, duckery, goatery, piggery, animal health care and veterinary first-aid at Haringhata farm, Nadia, West Bengal under the collaboration of Animal Resource Development Dept., Govt. of West Bengal. Although Shri Mondal nails from village during the training at RKMSSSM, Belur Math he learnt the modern techniques of preparation of soil, plant nutrition, plant spacing, plant propagation, pest & disease control, irrigation etc. All these have contributed towards his success. Shri Mondal is very ambitions and hard working. What he has achieved is much below his potential. Hope in this coming days he will surpass his present level of activity and income.

AN APPEAL

Activities of Ramakrishna Mission Samaj Sevak Sikshan Mandir are conducted with the primary objective of mitigating the hardship of suffering humanity with the concept of "Service of Jiva is indeed Service to Shiva." The activities are sustained to large extent through donations of generous people from all walks of life. We sincerely hope this generosity of people both from India and abroad will continue to help us in the days to come.

All donations to Ramakrishna Mission are exempted from Income Tax u/s 80 G of the Income Tax Act. 1961
